MEMORANDUM FOR: Director of Finance

SUBJECT :

1. Attached herewith is the applicant file of [redacted] a Black who expects to receive a B.S. in Accounting in June 1974.

2. As indicated in my recent State of the M&S meeting, I am quite anxious to do everything reasonable to improve our overall track record in the EEO area. You are similarly aware that Bill Colby is following this situation quite closely because of the poor EEO performance of the Agency. If my information is correct, the Office of Finance has one Black "professional" on board, and he is at the GS-07 level.

3. In view of the above, I would very much appreciate it if you would give this matter your personal attention, and see if some extra effort might not be made to put him in process. If he does not meet your minimum GPA standards, possibly some arrangements might be worked out to give him extra training after he enters on duty.

4. Please give me your views on this in a week or ten days.
